Re: July 2011 Re-Deferral Exemptions

The purpose of this e-mail is to notify you of the local educational agencies (LEAs) that have been approved for exemption from the July 2011 apportionment re-deferral. Specifically, Senate Bill (SB) 70 (Chapter 7, Statutes of 2011) added California *Education Code* Section 14041.65 which re-deferred February, April, and May 2011 apportionments which were to have been paid in July 2011 to August and September 2011. Senate Bill (SB) 82 (Chapter 12, Statutes of 2011) permitted LEAs that had a demonstrated need to apply for a dollar-limited exemption from the re-deferral.

LEAs that are exempt will receive a payment in July 2011 equal to the lesser of (1) the total amount of additional funds necessary to meet their expenditure obligations for the months of July or August 2011 as reported on the exemption application, or (2) the total principal apportionment payment the LEA is entitled to receive in July for the re-deferred apportionments.

To view the list of LEAs that applied and are approved for exemption from the July 2011 apportionment re-deferral, please go to the California Department of Education Web page at <http://www.cde.ca.gov/fg/fi/ir/julaugoctmardef112.asp>. Nine school districts (none from Santa Clara County) and 133 charter schools (5 from Santa Clara County) received an exemption. (See below for Santa Clara County LEA's)
