CALIFORNIA
DEPARTMENT OF
EDUCATION

TOM TORLAKSON

STATE SUPERINTENDENT OF PUBLIC INSTRUCTION

May 30, 2012

Dear County Superintendents of Schools:

**NOTICE OF THE SECOND APPORTIONMENT FOR THE
COUNTY OVERSIGHT RELATED TO THE
QUALITY EDUCATION INVESTMENT ACT OF 2006
FISCAL YEAR 2011-12**

This apportionment, in the amount of \$201,398, is made from funds provided in Senate Bill 1133 (Chapter 751, Statutes of 2006). Funding is in support of the Quality Education Investment Act of 2006 (QEIA), established in California *Education Code (EC)* sections 52055.700 through 52055.770. This apportionment provides a final payment to county offices of education (COEs) in support of county oversight activities associated with the QEIA program for fiscal year 2011-12.

Pursuant to *EC* Section 52055.770(i)(1), the formula for allocating these funds is similar to that for allocating funds to COEs in support of county oversight activities required under the *Williams v. California* settlement agreement. Consistent with that formula, established in *EC* Section 1242, COEs receive \$2,500 per participating elementary school, \$3,500 per participating middle or junior high school, and \$5,000 per participating high school for QEIA oversight activities. They also receive additional funding for participating schools whose May 2010 California Basic Educational Data System enrollment exceeds certain thresholds, as follows:

- \$2.50 for each pupil that exceeds a total elementary school enrollment of 856 pupils.
- \$3.50 for each pupil that exceeds a total middle or junior high school enrollment of 1,427 pupils.
- \$5.00 for each pupil that exceeds a total high school enrollment of 2,296 pupils.

Overall, each COE will receive no less than \$10,000.

EC Section 52055.770(i) provides that not more than \$2,000,000 will be provided in each fiscal year to COEs for this program.

Warrants will be mailed to each county treasurer approximately four weeks from the date of this Notice. For standardized account code structure coding, use Resource Code 7400, Quality Education Investment Act, and Revenue Object Code 8590, All Other State Revenue.

County superintendents will be notified of each apportionment by e-mail. Accordingly, California Department of Education (CDE) has sent an e-mail to each county superintendent, addressed to the county's CDEfisc e-mail address, to inform him or her of this apportionment. The e-mail contained a link to the CDE Categorical Programs Web page at <http://www.cde.ca.gov/tg/aa/ca/> where, under the program name, the letter and schedule for this apportionment are posted. The CDE requested that the e-mail be forwarded to all school districts and charter schools in the county.

If you have any questions regarding this program or apportionment, please contact Bob Storelli, Education Programs Administrator, School Turnaround Office, by phone at 916-319-0671 or by e-mail at BStorelli@cde.ca.gov.
