Re: 2012–13 Mandate Block Grant Update

The purpose of this bulletin is to notify you that the California Department of Education (CDE), School Fiscal Services Division has posted a status report of the Mandate Block Grant Letters of Intent that have been received as of September 19, 2012.

I have attached the status for Santa Clara County schools below; however, the information can also be found under "Status of Application/Letter of Intent" at: <http://www.cde.ca.gov/fg/aa/ca/mandatebg.asp>.

Please verify that the status (Elects to Participate, Declines to Participate, or Application Not Received) is posted correctly for your local education agency (LEA). This list includes all e-mails, faxes and mail received by CDE as of September 19, 2012. If you find that the status for your LEA is an error, send an e-mail to mandate@cde.ca.gov.

On August 27, 2012, an individualized Letter of Intent was sent to the e-mail address listed in the California School Directory for all eligible districts, county offices of education and charter schools. If you cannot locate the August 27, 2012 e-mail, please submit a request to mandate@cde.ca.gov with your LEA's name and CDS code; and another individualized form will be resent to you.

As a reminder, locally funded charter schools must submit its own Letter of Intent.

The due date for submitting the Letter of Intent is Monday, October 1, 2012.

Questions regarding the Mandate Block Grant should be addressed to mandate@cde.ca.gov.

Please distribute this memo within your District as deemed appropriate.
