Re: New AC-P-C Codes in QCC for Special Compensations and Retroactive Special Compensation Adjustments

The purpose of this bulletin is to inform Districts that new AC-P-C code combinations have been established in QCC Retirement Edits (RE/C) to report the special compensations and retroactive special compensation adjustments to California Public Employees Retirement System (CalPERS).

Effective immediately the special compensations for the arrears, retro, and current period should be coded with the following AC-P-C code combinations:

Special Compensation	Ret. Base
08-01-06	Monthly
08-04-06	Hourly
08-08-06	Daily

Please note that **the AC-P-C code 08-09-06 for the special compensation is no longer in use.**

Please distribute this information within your District as deemed appropriate.
