Re: Common Core Implementation Funds Survey & Expenditure Report

---

The purpose of this bulletin is to remind Local Education Agencies (LEAs) of the requirement to complete the *Expenditure Report for Academic Content Standards (Common Core) Implementation Funds* prior to **5:00pm on July 1, 2015**. As a condition of receiving the Common Core State Standards Implementation Funds, school districts and charters must report detailed expenditure information to the California Department of Education. LEAs may find it helpful to review the summary of required data elements (see link below) prior to completing the report online.
