Re: Classified School Employee Summer Assistance Program (CESAP): Schedule of the Estimated State Match Funding for the School Year 2026-27

Based on the estimated data report, the California Department of Education (CDE) has determined that a participating classified employee can expect to receive State Match Funding equal to approximately forty-nine and five-tenths cents (\$0.495) for each one dollar (\$1) that is elected to be withheld monthly in the 2026-27 school year. The CDE will make the required apportionment for the State Match Funding in August 2027.

Per the CDE's letter dated May 1, 2026, the schedule of the estimated amount of State Match Funding for each participating school district is available under "CESAP 2024 Funding Results" on the CDE website at:

<https://www.cde.ca.gov/fg/fo/r14/csesap25result.asp>

For Santa Clara County, the estimated total State Match Funding in the amount of \$3,966,630.00 will be made available for participating school districts. Please see the following pages for the details of the State Match Funding by district for fiscal year 2026-27, and the summary of important program dates.

✚ **By June 1, 2026:**

The COE and school districts must notify participating classified employees of the estimated amount of state match funding the employee received for participating in the program.

✚ **30 days after the start of the 2026-27 school year:**

After receiving the notification from the COE/districts, a classified employee may withdraw his/her election to take part in the CSESAP or reduce the amount to be withheld from his/her paychecks by notifying the COE/districts no later than 30 days after the start of the 2026-27 school year. The statute for the CSESAP does not define the date for the start of the school year. This will be decided by the COE/districts.

✚ **During the 2026-27 school year:**

The COE/districts will withhold the specified amount from an employee's monthly paychecks (up to 10% of gross salary) that the employee writes down _____ on the election form.

◆ **Important Note:** Employees who separate from employment during the 2026-27 school year

- Employees are not entitled to matching funds if employees request to receive the funds withheld from their monthly paychecks during the school year at the time of separation.
- Employees are entitled to matching funds if employees do not request to immediately receive the funds withheld from their monthly paychecks during the school year.

• **By August 2, 2027**

Districts must submit a web-based form to request payment from the CDE on or before August 2, 2027, for classified employee pay withheld. If the total amount requested by participating COE/districts exceeds the appropriate amount available for CSESAP, the CDE will apply a proration accordingly.

✚ **During summer recess period following the 2026-27 school year:**

Districts must pay their classified employees the amount withheld plus the state matching funds. The summer recess payments can be made either in one or two payments, as specified by the classified employee at the time of enrollment. The summer recess period may vary for each district.

Please distribute this memo within your District as deemed appropriate.
