Re: **Action Required: Refund of Fiscal Year 2022-23 California State Teachers' Retirement System (CalSTRS) Excess Contributions**

The District Business and Advisor Services (DBAS) has now received the CalSTRS refunds for excess contributions made during FY2022-23. Attached is a listing, by district, of excess employer and member contributions as determined by CalSTRS.

Excess contributions commonly occur when a member works for more than one employer or performs extra duties above the contracted days or hours, accumulating service credit in excess of one year. The service credit and contributions in excess of one year cannot be reported in the CalSTRS Defined Benefit (DB) program. These excess contributions and service credit are reported in the Defined Benefit Supplement (DBS) program at contribution rates which are lower than that of the Defined Benefit Plan. Therefore, earnings transferred from DB to DBS accounts result in an overpayment of employer and employee contributions. The table below illustrates the difference between the DB and DBS contribution rates for FY 2022-23.

FY 2022-23	DB Contribution Rate	DBS Contribution Rate	Difference (Excess)
Employer	19.1000%	8.2500%	10.8500%
2% @ 60 Members	10.2500%	8.0000%	2.2500%
2% @ 62 Members	10.2050%	9.0000%	1.2050%

A member's excess contributions will be reported on the member annual Retirement Progress Report in the Special messages section.

In accordance with the attached report, DBAS has processed the return of excess employer and employee contributions that is due to each school district. For each district, funds were transferred to the following fund-object:

- Dependent school districts: 010-9920
- County Office of Education: 800-9920
- Fiscally Accountable/Independent school districts: 010-9920
- Charter schools: payments were made through Automated Clearing House (ACH)

Note: The refund of the FY 2022-23 employer contribution expenditures should be accounted for as revenue in the current fiscal year (California State Accounting Manual (CSAM) Procedure 560).

Actions Required by Districts:

- ✚ Districts are responsible for re-classifying the refund of the employer contributions to an appropriate revenue object code.
- ✚ For active employees, the refund should be processed as a negative amount in the deduction (PD) screen using [Vol-Ded code 8113 STRS PRIOR PERIOD ADJUSTMENT](#).
- ✚ For terminated employees, the refunds should be processed by setting up a “penny pay line” for each former employee as follows:
 - Create a penny (.01) pay line using [Stat-Ded NNNN](#) and [AC-P-C code 00-0-0](#)
 - Select ‘Y – Yes, one time’ for the option ‘OK to pay?’ in Termination (TE) screen
 - Use [Vol-Ded code 8113 ADD STRS PRIOR PERIOD ADJUSTMENT](#) with a negative refund amount in the Employee column in the deduction (PD) screen
 - Use [Vol-Ded code 7308 MISC. COLLECTIONS/REFUNDS](#) with a negative amount in the Employer column to collect a penny (.01) from the penny (.01) pay line. This penny (.01) may be posted to fund 010 object 9946 in the district’s ledger (Optional)

Important: Districts must refund ONLY the excess member contributions for both active and terminated employees by December 14, 2023.

Districts can choose to process employee refunds on their own or authorize their DBAS accounting specialist to perform a mass upload of refunds to the employees’ QCC PD screen. Please contact your DBAS accounting specialist for any further instructions or support on how to perform a mass upload of refunds.

Whether processing refunds on your own or by authorization to your DBAS accounting specialist for support in making a mass upload of refunds to the employees’ PD screen, districts must perform:

- The establishment of the “penny pay line” for terminated employees.
- The reconciliation between the voluntary deduction report for Vol-Ded code 8113 and the detailed spreadsheet of the CalSTRS refund received from DBAS to avoid any over/under refunded amounts to the employees.

Refunds will be listed as a negative amount and displayed as “STRS PRIOR PERIOD ADJUSTM” on the employee’s paystub.
