- DVR2400 Voltage Regulator
- MDG250DF4

**COMMENTS FOR TEMP GENERATOR:**

**NO EXCEPTIONS TAKE; ALL COMMENTS FROM PREVIOUS SUBMITTAL SEEM TO BE ADDRESSED.**

**BY: NAJIB ANWARY  
AURUM CONSULTING ENGINEERS  
DATE: 12-4-24**

### **Pricing:**

**250kVA Mobile Generator Pricing .....**

**Start Up & Training .....**

**BAAQMD Permitting by WCES .....**

**Preliminary Notice Filing Fee .....**

### **Shipping:**

Estimated lead time from factory, excluding transit:

MDG250: 6 – 8 Weeks

### **Scope Clarifications:**

- Estimated Submittal Lead time: 5-7 business days.
- No equipment will be ordered without written release to proceed – price changes issued by the manufacturer after quotation validity and prior to release will be passed along to the customer.
- Pricing includes freight to site.
- If the transfer switch needs to be shipped separately, additional freight charges will apply.
- Pricing for adders purchased separately from equipment will be assessed at time of purchase.
- Installation, fueling and termination of connections not included.
- Installation and mounting of exhaust not included.
- The Energy Systems provided start-up checklist and supporting pictures must be received by Supplier two weeks prior to technician scheduling.
- All industrial products require a formal start up by a Generac factory certified technician.
- Pricing is based on work being completed during regular business hours.
- Load bank (if included) is resistive load.
- Training to be completed same day as start up. Additional charges will apply if a separate trip is required.
- The enclosure color is Generac Industrial grey. Custom colors can be quoted separately.
- Not included unless otherwise noted: equipment offloading, installation, fuel, permits, signage, taxes, exhaust system backpressure test, exhaust emissions test, infrared scanning, NETA testing, harmonic testing, concrete pad, anchoring, fuel pipe, exhaust pipe, pipe insulation, Building communication integration, license fees.

### **Assumptions:**

- All AQMD fees are estimated based on the information provided to date. Additional fees required by the AQMD will be invoiced.
- Air dispersion modeling / health risk assessment is not included.

- Out-of-scope permitting services will be billed on a time and materials basis at a labor rate of \$125 per hour. Out of scope services will only be completed following authorization from the customer.
- Issuance of an ATC/PTO permit is not guaranteed. The application will be prepared based on Energy Systems' understanding of the project and current regulatory and compliance requirements, which are subject to change. Energy Systems is not liable for any project modifications required in order for the permit to be issued.

### **Terms and Conditions**

- Other Terms and Conditions:
- Offer Validity: 30 days.
- Payment terms: (select one payment term and delete all other text)
  - *Customers with credit*
    - 10% deposit due at time of order, balance invoiced at shipment with NET 30.
  - *Customers without credit*
    - 25% deposit due at time of order, 70% due prior at shipment readiness, 5% due at start-up.
- Credit is subject to approval by Energy Systems upon receipt of business credit application.
- Incoterms: ExWorks factory with freight allowed to the jobsite, on a truck, curbside.
- Manufacturer lead time to be confirmed upon approved release for production letter and receipt of a West Coast Energy Systems approved purchase order.
- Equipment cannot be held by Energy Systems or its suppliers without prior written agreement.
- Any sale of goods or services, and any extension of credit, is governed by and subject to West Coast Energy Systems' Terms and Conditions of Sales and Service ("Terms") located at <https://energysystems.com/terms-and-conditions-of-sale-and-service/> which is incorporated by reference. The Terms are subject to change at any time and you are advised to frequently re-review the Terms. Unless pursuant to a written agreement mutually executed by both parties, the Terms shall be binding upon the parties, and any other terms, communications or documents are to be disregarded and hereby expressly rejected.

**Sincerely,**

Chris Arndt
