

South County Annex

9300 Wren Ave., Gilroy CA 95020

Area we would like more trees for shade.

Area we would like more trees for shade.

Area we would like more trees for shade and create a grass area. Also a mud kitchen near present playground.

Existing play space which radiates heat. We will add vines to reduce heat and sound and green space.

Concrete that radiates heat which we plan to offset with a mud kitchen and vines along the walls.

Existing space where we would like to add more grass to reduce heat.

Existing structure where we hope to change to grass to help reduce heat.
